

IEEE ICIR 2022 Competition Submission Guidelines

To participate in the **Application Competition for Intelligent Reality** of the 2nd International Conference of Intelligent Reality (ICIR), a PowerPoint presentation and a recorded video submission of your work are **mandatory** for evaluation.

PowerPoint Presentation

Use presentation template [1] to provide the following required information:

1. **Overview of IR Application:** Brief description of your application and how AI and other technologies helps.
2. **Originality:** How unique and innovative is the idea?
3. **Implementation:** What design methods and techniques used, development platform, language, tools
4. **Potential Impact:** How does the project contribute to the IR domain?
5. **Conclusion and future directions.**

Credits and citations to open source or other work should be referenced appropriately.

Recording Video

Provide video recording with the following required sequence:

1. **Title:** The first 10 seconds of the video should include the Submission Title, names of participants, affiliations (if any), and contact details using the Contact Information below.
2. **Research/Problem statement:** Present research domain or the problem(s) the prototype is attempting to address.
3. **Prototype showcase:** Clearly explain and demonstrate prototype features and functionalities through gameplay / user perspective view.
4. **Implementation Framework and Technologies:** Clearly present what framework (game engine, SDK, etc.) and technologies used for implementation. Provide links to libraries and resources when appropriate.
5. **Impact:** Present potential impacts to the IR domain.
6. **Conclusion and future directions.**

Credits and citations to open source or other work should be referenced appropriately.

Video Length: 5-7 minutes long.

Video Format: MP4

Submission

Upload PowerPoint presentation and recorded video to your personal cloud storage (Google Drive, Microsoft OneDrive, or others) **by November 19th 2022**. Email the shared link with the information below to icir@ieee.org:
